

Updating review process of “Quality Improvement Strategy (QIS)”

In 2019, the Dean of applicant school presented on the QIS in the Peer Review Committee (PRC). Due to the COVID-19 pandemic threat, in 2020 we will conduct the Desk Review instead of the Dean’s presentation in the PRC.

For improving your QIS analysis, ABEST21 would like to hold “The Online ABEST21 Accreditation Seminar II” on the QIS analysis so that your school has been conduct the analysis smoothly. In order to response issues particular to each school, we will hold the online seminar for an applicant school separately.

1. Objective:

To share information with the applicant schools to conduct the quality improvement strategy analysis smoothly one by one basis.

2. Date:

From May 20 to June 10, 2020

3. Process:

Step-1) The School will send the questions to ABEST21 Office by the determined period.

Step-2) ABEST21 and School will discuss about the date and time to have the online seminar.

Step-3) After that, the online communication between the school and ABEST21 will be held to answer the questions and clarify the unclear issues found in the Manual.
