

Holding the 1st ABEST21 Online Workshop "Assuring the Quality of the Online Lectures"

On Thursday, November 26, 2020, the 1st ABEST21 Online Workshop "Assuring the Quality of the Online Lectures" was held with Associate Professor Dr. Yudi Fernando, Universiti Malaysia Pahang, Malaysia and Senior Lecture Dr. Gancar C. Premananto, Universitas Airlangga, Indonesia as speakers.

Associate Professor Dr. Yudi Fernando shared his teaching experience during the COVID-19 pandemic and several challenges that his school has faced in teaching and learning using online platform as well as proposing required system improvement to solve these issues.

Senior Lecturer Dr. Gancar C Premananto shared his school's measure in order to conduct all teaching activities via online media during pandemic and pointed out the importance of collaborating with institution and association for improving quality of online management education.

The 2nd ABEST21 Online Workshop is going to be held on December 17, 2020. For further details, please visit to ABEST21 online workshop webpage below;
