

## Holding the 3rd ABEST21 Online Workshop "Assuring the Quality of the Online Lectures"

On Thursday, January 21, 2021, the 3rd ABEST21 Online Workshop "Assuring the Quality of the Online Lectures" was held with Assistant Prof. Dr. Dodie Tricahyono, Universitas Telkom, Indonesia and Associate Prof. VeenaJadhav, SP Jain School of Global Management, Singapore as Speakers as follows;

### **Moderator:**

Associate Professor Danaipong Chetchotsak, Ph.D.  
Faculty of Engineering, Khon Kaen University, Thailand

### **Speakers:**

- Assistant Professor Dodie Tricahyono, Ph.D.  
School of Economics and Business, Universitas Telkom, Indonesia  
"Covid-19, Online Learning and Quality Assurance at MM Telkom University"
- Associate Professor Veena Jadhav, Ph.D.  
S P Jain School of Global Management, Singapore  
"Assuring the Quality of Online Lecturers."

Dr. Dodie Tricahyono introduced difficulties in the areas of financial problem, destruction and infrastructures quality problem that the students are facing during difficult period caused by Covid-19. Also, he introduced their "Outcome Based Education curriculum (OBE Curriculum)" system. After that, he showed some solutions that the school has carried out for students such as selective discount tuition fee and developing OBE curriculum. After his presentation, they discussed how to confirm performance of their students in online class and how to support lecturers for operating the OBE curriculum system, and so on.

Dr. Veena Jadhav introduced their uniqueness of the global campuses and their online system called "Engaged Learning Online (ELO)" Also, she shared the school's experience how to collect feedback from students in

online education. After her presentation, they discussed about more details about the "ELO" system and how to make up for lack of experience-based learning using the ELO system, and so on.

The 4th ABEST21 Online Workshop is going to be held on February, 2021. For further details, please visit to ABEST21 online workshop webpage below;
