Ensuring quality of the online teaching at KKU

Danaipong Chetchotsak, Ph.D.
Associate Professor, Faculty of Engineering,
Khon Kaen University, Thailand.

Presented at the 4th ABEST21 online workshop on Feb 18, 2021

Dr. Danaipong Chetchotsak introduced how to ensure the quality of the online teaching based on his experiences. He introduced one of teaching technics called LOVE Model (Hussadintorn Na Ayuttaya and Koopsap, 2017) with example of his classes implementing the

LOVE Model. Also, he introduced some effectiveness of implementing gamification in order to enhance students' motivation for study. He ended of his presentation by pointing out that some students especially the 2nd year students are more preferred onsite classroom. After his presentation, they deepened their discussion about effectiveness of gamification for their classes and so on.

Vice Director Yeshika Alversia introduced their Learning Objectives and Quality Assurance of Learning of their school first. Also, she shared the challenges the school have faced in the area of the Technical problems, how

to make the online classes be more interactive, Student engagement, Integrity for exam and quizzes and Thesis-related issues. After her presentation, they discussed more details about the integrity issues.
