ABEST21 International - Currently recruiting presenters -

ABEST21 International Annual Meeting 2023 in Kyoto, Japan will be held from March 9(Thursday) - 11(Saturday), 2023. On the second day of the Annual Meeting, we scheduled a time for school presentations.

The following is an overview of the school presentations.

Date: March 10, 2023

Presenter: Dean

Content: Title free

Duration: Approximately 30 minutes

If you would like to make a school presentation, please let us know by e-mail by the end of January. Please understand that if there are too many applicants, it will be decided on a first-come, first-served basis. We are looking forward to hearing from you.

If there are any further questions or queries, please do not hesitate to contact us.
Thank you for your cooperation and understanding.

Sincerely,

Global Knowledge Network Unit
ABEST21 International
